For the first time, it has been revealed that there are more celebrities with sex toys than there are porn stars.. In this edition of the 2017 NFL Power Rankings, the Rams, with their first win of the year against the Ravens in Weeks 9-14, have slipped back from the upper end of the top 10, which may not have been all in vain. While the Broncos still sit in a few spots above them, these two teams are only about a full spot behind the Rams for the second spot in the Power Rankings.

One of the biggest surprises so far in the 2016 NFL season has been the way both of these teams have been able to compete at the highest level. There are a lot of areas of concern with both teams. While there are some areas where both teams have been better than expected, and the difference in performance is more stark than one might imagine, the numbers certainly aren't to blame in terms of any sort of improvement in their playoff aspirations or for their playoff chances..
